

Prayer

Throughout the world, an almost palpable spiritual awakening is gripping more and more men and women of all religions and denominations. This thirst for closeness to the One On High is a widespread phenomenon, and it is growing every day. Prayer is the central mode of communication with God, yet so many of us feel unable to pray. Prayer is more than a skill - it is an art.

Jerusalem

City of God, dream of millennia. For thousands of years, people all over the world have had the Holy City in mind when directing their prayers to God. While He hears our supplications wherever we may be on earth, sages of old have already ascertained: "Jerusalem is holier than all other places."

A House Of Prayer For All The Nations

And in the center of Jerusalem, Mount Moriah, the Temple Mount. The site of the World's Creation, of the Binding of Isaac. On this spot stood the Temples of Solomon and Herod. While dedicating the Holy Temple, King Solomon cries out to the Lord (First Kings, chapter eight):

"...They will pray towards this Place, and You shall hear in Heaven... You shall hear and forgive... [All] from a far country... shall hear of Your great Name, and of Your mighty Hand... and will come and pray toward this House. You shall hear in Heaven... and do according to all that [they ask of] You..."

The great prophet Isaiah (Chapter 56) echoes these words centuries later:

"And I shall bring them to My Holy Mountain... to My House of Prayer... for My House shall be called The House of Prayer for all the nations."

Today, **The Holy City Prayer Society** offers you a unique service: a prayer said for you daily in Jerusalem, the site of the Holy Temple! Whether you pray daily or once a year, often or not at all -- A prayer recited daily *especially with you in mind* in the Holy City by **The Holy City Prayer Society** will raise your spiritual consciousness and help you in your quest for tranquility.

The Holy City Prayer Society is a nondenominational monotheistic fellowship dedicated to advancing the value of prayer in the minds and hearts of all people around the world. Towards this goal, the Society produces literature, recruits members, and most importantly, prays for *you*.

Our daily prayer is actually said especially for you, on the **Holiest Spot On Earth**, Jerusalem, by pious Society members living there. This personal touch contrasts with one-time-only faxes, e-mail, or other technical methods. God yearns for His creations' supplications.

My Prayer - content of the prayer said in your name

The Holy City Prayer Society has designed a general prayer which is said daily with all members in mind. It includes, but is not limited to, the following:

Psalms - The Magnum Opus of King David, written nearly three thousand years ago yet still rings true today. Vision, divine inspiration, song, the gamut of human emotion, the epitome of poetry, struggle and salvation - Psalms are all this, and more.

Praise - As we approach our Creator, we humbly acknowledge His magnitude and omnipotence. We pay homage to God, as a servant praising his Master before he dares make his request. Even if our mouths were full of God's admiration as the oceans with water, we would lack the talent to sing but a trifle of our devotion to him, but try we must - and God accepts us.

Supplication - As a child asking for something from his loving father, we appeal to our Father in Heaven. And as the Perfect Father, he gives us - and yes, sometimes withholds from us - all for our own good. No request is too great for Him, and none too small. Peace, serenity, wisdom, repentance, forgiveness, redemption, health, livelihood, prosperity - these are only a few of the needs that only the Source Of All Blessings can truly provide us with.

Thanksgiving - The very opportunity to feel close to God is the greatest gift He can bestow upon us. If only for this, we are forever grateful. But sincere believers can attest that their prayers are answered daily, from simple to sublime. We here express gratitude and confidence in our Master's graciousness.

My God, My Self - Only a realistic understanding of our relationship to God can prepare us for any activity dealing with that relationship, namely, Prayer. I am personally connected to You, Oh Lord - this, the most basic of all prayer, truly says it all. May the expressions of our mouths and the thoughts of our hearts be acceptable unto You, our Master and King.

Why are the prayers of the Holy City Prayer Society, a major feature of membership, so special?

God's honor and presence fills the world, everywhere. (Isaiah 6, 5). Still, the Bible and the Sages are full of inspiring words emphasizing the efficacy and specialness of prayer in the Holy City of Jerusalem. Subscribe to our free newsletter, "Prayers and Thoughts from Jerusalem (prayers@aweber.com)," for a series of such sources.

Much has been said about the holiness of Space, Time, and Personage. The Holy City Prayer Society adds the dimensions of Language, Message, Intent, and Relationship.

Our pious Jerusalem-based leaders pray three appointed times a day (morning, noon, and nighttime), every day, on the Holiest Spot On Earth, Jerusalem, near the site of the Holy Temple.

Our prayers are in Hebrew, the Holy Tongue, the language that God created the world in. There are opinions that prescribe praying in Hebrew even without fluency, since its very letters have spiritual, kabbalistic significance.

The messages and content of these prayers are taken from tried and true traditions thousands of years old, or based on and inspired by these traditions.

And most importantly, our "human touch" intent when offering these prayers takes your personal, confidential comments into account. This personal touch contrasts with one time only faxes, e-mail, or other technical methods--God yearns for His creations' supplications--and extends beyond these prayers, as membership in the Holy City Prayer Society is interactive: you are invited and even encouraged to "pour out your troubles" (Psalms 102, 1) and we will respond with empathy, compassion, and Bible-inspired wisdom. We care about prayer, and we care about you.
